## Message From our President

Hi to all Members of the Mother Lode Model T Club,

Wow, where did all the April showers come from, but as they say: April Showers bring May flowers.

Finally, we are able to get our Model Ts on the road with the 14th Annual Gil Machado Memorial Shakedown Tour hosted by Susie. What a beautiful day it turned out to be. We drove over to Plymouth to the Amador Flower Farm. There the ladies got to see all the daylilies and the guys got to kick tires and tell stories. All cars were in good running condition after Eric Lindstedt and Dennis Furr's' safety check day. All cars passed with flying colors, thanks to those guys, boy do they know their stuff.

The next upcoming tour will be hosted by Erik Barrett to the Nevada City steam locomotive tour on Saturday May 14th. Let's all try to make this one.

We do need to fill some open tour dates, so if anyone is interested in hosting a tour, then call our Vice President, Susie, and let's get those dates filled up.

## President's Message-Continued

We will only have one more regular club meeting in May before our June 5th Swap Meet. Please come to the May meeting so you can sign up for the different work details, as we need all the help we can get, or you can always contact myself, Gary, to find out what you can do to help make our Swap Meet a successful event.

We will have a May 17th Board Meeting at Round Table Pizza in the Elm Center in Auburn at 5:30 pm for pizza and 6:30 pm for the meeting regarding the swap meet to finalize all parts of the swap meet. All members are welcome to attend, because as we all know, the Swap Meet is for the good of the Hobby that we are all so passionate about.

In closing, I would like to thank everyone for all your support and help in keeping the Mother Lode Model T Club active, and I look forward to seeing you all at the May's monthly meeting,

Your President,  
Gary Krezman

## Mother Lode Model T Club Safety Inspection Day Saturday, April 9, 2022.

We had four cars and six members at the Safety Inspection. We went thru the MTFCA Safety guide checking for missing cotter pins in the steering and suspension. We also checked for loose steering and wheel bearings. There were a few items for some of us to follow up on but no serious problems. Good time talking cars and experiences. The ladies were on hand to supervise and provided some delicious cookies.

## Shake Down Tour

After being postponed from Friday April 22 because of rain, we rescheduled for the next day Saturday April 23 to head to the Amador Flower Farm in Plymouth. We made the right call. It turned out to be a sunny clear day. Only four of us left Raley's in Auburn, Gary & I and Erik & Cindy Lindstedt. Driving thru Auburn, we were detoured because of a run going from somewhere in Auburn and thru the canyon. We drove Auburn Folsom Road across the Folsom Dam and into El Dorado Hills Town Center.

Arriving there we met John Saylor and his grandsons, Luke and Colin Schlunegger. Luke and Colin are members of the Model T Explorer Youth Club.

Also meeting us there were Allen Koch, our official photographer, Mark O'Connor and

his grandson Lucas O'Connor, Junette Avey, Brad and Annette Lusk and Annette's Dad, Sacramento Valley Model T members Kate and Harvey Bandy and Michele and Wendel Waltz. We met David and Becky Harrison in Latrobe where they joined in. In total we had 9 Model T's and one modern. On the drive we got a call from Joe and Bonnie Lewis. Joe is a docent at the California Auto Museum and the

proud new owner of the Model T previously owned by our own Steve Short. Nice to meet them. Joe is driving the car around Elk Grove getting comfortable with it. Hope to see them on another tour soon. Well, I have two bad dreams, one I am falling off a cliff and

the other is getting you all lost. I thought I took a wrong turn, and I did, but that road was still going to take us to the Amador Flower Farm. Gary pulled off the road to regroup, when Becky Harrison, seeing the look on my face, said you are going the right way and Becky and David led the rest of the way. Thank you, Becky. We arrived at the Amador Flower Farm to be greeted by one of the staff and told to make ourselves at home. We had our picnic lunches under an old oak tree and next to a duck pond. After roaming thru the gift shop and the fields of day lilies, we all headed home.

**Thank you all for attending the Shakedown Tour. Thanks to my driver, Gary for helping me with all the details and for stopping at the Strawberry Stand for me on the way home to buy flowers and strawberries, (as if dragging him thru a Flower Farm wasn't bad enough). Susie Krezman**

## **Old Auburn Cemetery Tour – Oct 2**

Save the Date. Oct 2, 2022, The Placer County Historical Society will have their annual Old Auburn Cemetery Tour from 1:30 to 4:00pm. This is a free event to attend and is designed to educate the public about our historical Cemetery.

Last year we were asked to bring in our cars for display and it was a big hit. If you would like to attend with your car contact Susie Krezman. We have 5 cars signed up already. It is a great day to explore a beautiful old piece of history right in our backyard. Plus, it is a way for our club to give back.
