Message From our President

Hi to All Members of the Mother Lode Model T Club.

Well, as we are getting ready for Trick or Treat you can feel the weather starting to change with the cooler nights and pumpkin patches everywhere you look. That means

we only have a couple more chances to get our cars out on the road. We did just complete the California Auto Museum Tour that was a joint effort by Dennis Furr, John Saylor and Susie. John Saylor and Susie

did a great job of putting this tour together and Dennis is very knowledgeable about the cars and the museum. John and Susie did a great job of getting us there on back roads from Auburn to Old Sacramento. Those that attended had an excellent lunch after the tour at Selland's Market Cafe on Broadway in Sacramento. We were all able to sit together and visit before heading back home. Great job guys putting this tour on.

Our next event will be the Old Auburn Cemetery Tour. We will need at least five cars to be staged at different plots throughout the grounds.

President's Message-Continued

This is always a very interesting and fun day to learn some of Auburn's History, so check out the e-mails that have gone out and try to attend. It will be Sunday October 2nd from 1:30 to 4:30pm. Hope to see you there. We also have the Fall Tour coming up on Saturday, October 22nd, which will be hosted by Cindy and Erik Lindstedt. This is always a well attended tour. So, if you have not signed up yet, give Erik or Cindy a call and get your name on the list.

We had a board meeting September 20th. The main topics were 2023 board members and 2022 donations. All board members will stay on, so your 2023 board will be, Gary Krezman, Susie Krezman, Kitty Goodell, Junette Avey, Erik Lindstedt, Gordon Goodell, John Saylor and Paula Mikles. Officers will be announced at a later date.

The board also decided on donations that we would give to the Auburn Fire Department, Assistance League, and also a possible donation to one of the Food Banks. If any members have any questions or concerns, please call me or a board member to discuss it. Thank you.

We will also have a board meeting on Tuesday, November 15 and anyone is welcome to attend.

I would like to thank everyone for all your support and help in keeping the Mother Lode Model T Club active and look forward to seeing all of you at the October monthly meeting.

Your President, Gary Krezman

California Auto Museum Tour

On Saturday Sept 17, we were treated to a personal tour of the California Auto Museum in Old Sacramento by our personal Docent and club member, Dennis Furr. The museum has had many upgrades since our last visit. John Saylor and Erik Lindstedt, who are also involved with volunteering at the museum, helped in leading the tour by giving us insight to the exhibits of all sorts of vintage and historical cars. Our group was like herding cats, there was so much to see and do --- we were all over the place. Dennis, you did a great job of showing us around. We then went to Selland's Market Deli restaurant on Broadway and enjoyed a great lunch and company. This touring year is coming to an end next month. Be sure to sign up for the Fall Lindstedt Tour, our final tour for 2022 and always well attended. Susie Krezman, Tour Leader with a lot of help from John Saylor and Dennis Furr.

Last Ride

I was honored to take my dear friend Jerry Dorville yesterday, 9/23/2022, for his last ride in his first Model T, a one-ton truck that he owned for sixty-three years. He also built his own coffin. His Celebration of Life was well-attended and was a fitting send-off for a great guy.

Model Ts for Sale

I have a 1914 Model T that is pink slipped and street legal but has not been run in twenty years since my father passed away. It is also unrestored - original horsehair seats and lots of rust. I would like to sell it to an appreciative owner.

Another 1914 Touring for sale -

I have had this car for many years and would like to sell it. I have an upholstery kit that needs to be installed. The front seat springs are new and the body is in great shape. Do you know of anyone who would be interested in my T?
