- ◆ **Aug 12 - Beat the Heat - Breakfast Tour.**

President's Message

Greetings to the Mother Lode model T club. May is upon us and our first tour of the season is already past, and a great one it was. Thank you Susie for putting this tour together. We had a great turnout and the weather was good. There were some cars not seen before and it was great to meet the folks from the Sacramento club. A long tour over some roads we haven't driven in my memory. I have heard of no major breakdowns so the coveted trouble trophy will not change hands, but there will be another opportunity this month with the Poor Red's tour. We will get to see some more new stuff on this one, too. Looks like fun and the lunch spot is memorable.

We will have one more meeting before our June swap meet. There will be some changes this year to better comply with Fairgrounds rules while keeping our major fundraising event workable. Gary Krezman runs this show and has done it well for many years. He needs our help. Please contact him or see him at the meeting to find out what you can do, there are many things to be done to make it happen.

I am looking forward to the many good events on our schedule. Our club will have a few members on the national tour this year as well. Have a safe and fun touring season.

Fordially, Erik

May Tour to Poor Red's, El Dorado, Sunday, May 21

We will meet at Raley's, 8:30 am. Brad and Annette Lusk will lead us to Cameron Park where we will meet up with the Sacramento Valley Model T Club, The Nor-Cal & Bay Area Horseless Carriage Clubs. We will leave Cameron Park at 10:15 am. David and Pat Pava will lead us on a back road tour to the former gold rush town of El Dorado. We will have lunch at Poor Red's BBQ, home of the Golden Cadillac Cocktail. It's very important that you RSVP to David. We will have separate checks and dedicated seating for those that have signed up. **If you arrive without an RSVP you will be the last to be seated and only on a space available basis.**

Please RSVP by May 18, to David or Patricia Pava
530—677-2923 or David@Pava.com

New Member

Please welcome Steve Halverson to our club. Steve lives in Grass Valley and has a 26 Coupe and a 26 Speedster. Hope to see you on a tour soon.

Please add Steve to your rosters

2017 Rosters

The 2017 rosters are here. I passed some out at the April meeting and will have them available at the May meeting.
-John

NINTH ANNUAL GIL MACHADO SHAKEDOWN TOUR APRIL 22, 2017 TO COLUSA CASINO

Starting out at the sop (same old place) at Raley's in Auburn, we traveled back roads to McBean Park in Lincoln to meet up with some of our members that live down the hill and a group from the Sacramento Model T Club. There at the park we had *Gary's donut stop* hosted by the Mother Lode Model T Club. The donut stop was headed up by Mindy and Bruce Ingram, Gil's granddaughter and grandson in law.

From there 21 cars, a couple of moderns and 57 people headed up to Yuba City. Traveling thru Marysville proved interesting, not only is that a congested traffic area, the firemen where having a 'fill the boot' fundraiser that was two blocks long!

At the mall in Yuba City, we met up, regrouped, made some adjustments to our cars and headed to Colusa Casino via Butte House Road.

The day was a cool overcast day that turned sunny. The scenery along the base of the buttes was so beautiful, so green. It was just a perfect day for driving model T's.

We had a lot of positive feedback on the road from Yuba City to Colusa. I have to give Pat Bashore credit for giving me a heads up on a great road for us to travel and enjoy.

A big thank you to our trouble truck drivers, Vern & Eula Marriott, Mother Lode Club, and Marv & Debbie Alexander from the Sacramento Club for volunteering. Thank goodness we did not need them. Gary and I almost made the trouble truck, but we had Wayne Lyndon on our side and he helped us plug along, thanks Wayne. We were having carburetor issues, which landed up being a plugged gas line from solder which came from the gas tank. So for now the trouble trophy is still living happily at Gordon Goodell's home.

All together we traveled about 140 + miles, a long day which for many of us ended at 6 pm. We hope everyone had a good time, looking forward to a successful touring season.

Gary and Susie Krezman, tour leaders.

Association of California Car Clubs Conference, April 26-27

Gary Krezman and myself attended the Association of California Car Clubs (ACCC) legislative conference at the CAM, April 26 & 27. Our first speaker, Delta Pick-Mello, Director of the CAM, gave us an update on what is happening at the museum and the *Fix the Roof* campaign. We heard from several legislators who are car hobby friendly, the CHP Assistant Chief and the DMV. We had a presentation by the Marysville Hot Rod Academy. This is a charter high school with a full auto and welding shop. They are having a huge success preparing students to entering the auto repair, body repair welding and soon upholstery fields. Four students told of their success and plans for the future.

The DMV talked about non-op as it applies to our classic cars. Vehicle code 4604,d,3 exempts cars 25 years and older from the planned no-op.

The most talked about item on the agenda was the recently signed into law SB-1. SB-1 increases gas and diesel taxes and car registration fees to raise money to repair highways and roads. Most of us have read the recent news articles on it. This law will significantly increase the cost of owning and driving our cars, both family cars as well as our vintage cars. It also includes funds for Parks, off highway vehicles, boating, and agriculture programs. There is funding for freeway service patrols, transportation research, local planning grants and public transit. More than just fixing roads! Here is what we know:

Gas tax -The base excise tax is now 18 cents a gallon. November 1 that will increase to 30 cents per gallon. **Diesel tax** - The base excise tax is 16 cents a gallon. That will increase to 36 cents per gallon and the 1.75 percent diesel fuel sales tax will increase to 5.75 percent. Registration cost will go up significantly, from \$25 to \$175 for the more valuable cars. Besides the increased costs to register our cars, the cost of goods and services will be passed on to us also.

This bill was pushed through with many side deals to encourage those still deciding to change their vote to yes. The new law provides funds for much more than just fix roads: Parks, boating programs, public transit, freeway service patrols, and agriculture programs are a few. So...How do we fight this? Senator Ted Gaines is putting together a referendum to have the voters of California vote to repeal it on the November ballot and write a new referendum that mandates the voters must approve the new tax. There will have to be a huge petition drive and at the present there is not funding to pay for petitioners. The thought was that we, yes we, car club people could volunteer to circulate petitions amongst our fellow club members neighbors and even stand in front of stores asking for signatures. I believe the number was some 100,000 signatures will be needed to get it on the November ballot so that we can vote it down.

John Saylor

SWAP MEET

It is swap meet season. Our swap meet will be here before you know it! The Mother Lode Model T Club Swap Meet is one of the few remaining club run swap meets in Northern California. We are well known throughout the region for the place for find and sell vintage cars and parts.

As Erik noted in his message above, to continue to make our swap meet a success we need everyone to pitch in and help. We need help setting up the field and food booth on Saturday, June 3. We will need your help Sunday, June 4. We will need people to man the gates and check in vendors and buyers, and persons to direct vendors to their spaces.

The food booth will need help selling the food, cashiering, assembling burgers and dogs and at the barbeque. Sunday afternoon we will need help taking it all down and cleaning up. We are known for our homemade pies, so donations of your fruit pies are needed. So, come to the meeting Thursday, May 11 and sign up for a time slot or two. If you can't make the meeting, please call Gary Krezman to sign up for the field (530) 823-7957 or Julie Instness to sign up for the food booth (916) 726-5388. There will be a club member potluck Saturday evening, 5pm at the fairgrounds in the food booth tents.

Meeting Minutes

Mother Lode Model T Club

Meeting Minutes April 13, at the Sizzler Restaurant, Auburn, Ca.

The meeting was called to order at 7:01 pm by President Erik Barrett. Erik thanked everyone for the good attendance in the unsettled weather.

Greeter Report - Junette reported one new person, Steve Halverson. Steve owns a 26 Coupe and a 22 Speedster and will be joining the club. Also visiting from New Zealand was Al Gillming's son Mike.

Sunshine - Susie reported everyone is well. It was good to see Pat Bashore out.

Secretary Report - John Saylor, filling in for Steve Short who is vacationing traveling back road across the country, reported the March minutes were printed in the newsletter. There were no corrections or additions. John reported that he has rosters for those who have not received theirs yet.

VP - Activities Report - Susie reported that the Shake Down is coming up Saturday April 22. She has 19 cars from our club and 9 from Sacramento Club. Vern Marriott will be providing the trouble trunk and Sacramento will provide one also. Meet at Raley's at 8 am leaving by 8:30, meeting up with Sacramento group at McBean Park in Lincoln at 9:30. We will travel back roads to the Colusa Casino for a buffet lunch.

May Tour will be hosted by David Pava, May 21. The tour will include Sacramento club, and HCCA clubs in the area. Meet at Raley's at 8:30. Brad Lusk will lead the Auburn group to Cameron Park where we meet up with Sacramento and HCCA. Leave Cameron Park at 10:15am. David will lead us on back roads to the gold rush town of El Dorado for lunch at Poor Reds. David stressed it is important to sign up to insure enough seats for all of us. After the lunch there will be an optional stop at his home and some tasting of wine from his vineyard.

LOL's April 18, hosted by Toni Moore at Applebee's, Auburn, 11:30 am. All ladies in the club are invited.

Bakersfield Swap Meet report - Erik reported the Bakersfield swap meet was another good one. It did not rain and there was lots of good T stuff for sale at decent prices. He also reconnected with many friends.

May 6 Clarksville Days - Steve posted the event on the clubs Facebook page and suggested the club attend. John noted that the Sacramento club and other area clubs were going and explained what the event was about. This would be an optional event for anyone who wanted to attend.

ACCC - The Association of California Car Clubs will be holding their annual legislative conference on April 26 and 27 at the CAM. Gary Krezman and John Saylor will attend to represent our club.

Our Swap Meet - Gary reported. It's coming up fast. Saturday, June 3rd is setup, June 4th is the meet. We need volunteers both days, Saturday to set up the field and food booth and Sunday for manning the gates, parking vendors, working in the food booth and clean up. Gary was at Bakersfield and talked with the persons in charge. Although their meet is larger, they have the same issues of getting enough help to run it. He also talked about the increasing costs. Last year we charged for buyer parking. This year he discussed charging for buyers' entry to the meet instead. Most swap meets do charge for buyers. After some discussion, David Pava made a motion to charge \$3 for buyers, kids free and no charge for parking. Motion was seconded by Richard Weitzel. Motion passed. Julie Instness will be again chairing the food booth and will need lots of help. For next year, 2018, we will need a new food booth chairperson. Olivia volunteered to help Julie this year. It was also noted that the Vintage Chevrolet Club, who always hold their swap meet in the fall at the fairgrounds has cancelled due to insufficient help and the profit was not worth the time spent. The Buick club has voted to no longer hold their swap meet for the same reasons. Let's all jump in and not let this happen to ours.

Treasurer Report - Sherry reported income from the Charter Brunch co-pays, auction and 50-50. Expenses were for the Brunch cake, roster printing, March news letter and advance, board meeting, and bank fees.

Old Business - None

New Business - We have four members attending the National Tour in White Fish, Montana in July: Erik & Roger Barrett, Brad & Annette Lusk, Gary & Susie Krezman and Jerry & Toni Moore.

Stories - Susie told of their experience driving thru Carrizo Plans National Monument west of Bakersfield. They saw lots of beautiful yellow and purple flowers in bloom all over the area, wash board roads and the San Andreas Fault was quiet evident as to where it was.. Jon Boorinakis also told a funny story.

50-50 Raffle - Winners were Susie Krezman and David Pava.

There being no additional business, the meeting was adjourned at 8pm.

John Saylor
Acting Secretary

Help us replace our leaky roof!

The California Automobile Museum needs your help to replace our leaky and woefully outdated roof.

Rain penetrates our aging roof and forces docents and staff to get out buckets and mop, re-position and cover cars and make emergency patches. As Sacramento experiences more and more rainfall, we are reminded with how important our "Raise The Roof!" campaign really is. ***We cannot reach the museum's full potential until we fix this leaky roof.***

We need \$750,000 to replace the roof. The good news is, we are nearly there! The board, staff, docents, and museum community have made incredible progress over the last year toward this goal. **We are only \$30,000 away.** We need your help to get this campaign over the finish line so we can begin repair work this summer. You can send a check for any amount to the CAM at 2200 front street, Sacramento, California, 95818, marked "Fix the Roof" or make an online donation at:

Club Website

The Mother Lode Model T Club maintains a website at <http://www.motherlodemodelt.com>. The website keeps members informed of club activities, photos of club events and members cars. The website also provides membership information and application. The website also introduces those new to the hobby to the club.

The *Mother Lode Model T Club* was organized and became a member of the *Model T Ford Club of America* in 1969. The club is a non-profit organization dedicated to the personal enjoyment of its members through the preservation and restoration of the Model T Ford and especially through activities involving the use of Model T Fords.

Meetings at held on the second Thursday of each month with the exception of December, at the Sizzler, 13570 Lincoln Way, Auburn, Ca. 5:30 pm for dinner, 7 pm meeting.

Membership is open to anyone with an interest in Model T Fords. Ownership of a Model T is not necessary.

Dues - Annual Dues are \$20 per family.

Members are encouraged to join the Model T Ford Club of America. MTFCA members receive the bi-monthly publication *The Vintage Ford*, voting privileges in national club and can participate in the many national club tours and events. Annual dues for the MTFCA is \$40.00 payable to:
